December 16, 2016

Dear Supporters in Aberdeen Boat Club of Hong Kong,

We would like to express our sincere thanks to you at Aberdeen Boat Club for supporting Feeding Hong Kong.

Over 1.5 million people in Hong Kong are threatened by hunger. At the same time, high quality surplus food is being needlessly sent to landfill every day.

Your donation of 331.58 kg items of food collected in your company food drive will help us to bridge the gap between food waste and food insecurity and continue our work in fighting hunger in Hong Kong.

The wonderful selection of food items that you have donated to us will be redistributed free of charge to our partner charities, all of whom are registered non-profit organisations working with underprivileged individuals in Hong Kong. We are particularly grateful for the variety of products that you collected on our behalf, as it will enable us to offer a greater choice of nutritious food to our charity partners.

In the year ahead, our team looks forward to scaling up our operations: both by increasing the amount of high quality food donations to and ensuring their safe re-distribution to a larger network of charity partners.

We also look forward to launching a series of educational programmes focusing on nutrition and skills training for low- income individuals, and continuing our mission to raise awareness about the issues of poverty and food insecurity in the Hong Kong community.

Thank you once again for your generosity and support. We look forward to keeping you updated on our work and collaborating with you again in the near future.

Kind regards,

Gabrielle Kirstein  
Executive Director  
Feeding Hong Kong
