## Commodore's Letter

By the time you receive this issue we will be well and truly into summer. It may be hot but the ABC in summer enjoys (mostly) clear skies, southwest winds and less rain than some other areas. The Club takes on a more relaxed holiday atmosphere with students enjoying the break of their summer holidays in or out on the water, and some away on vacation.

We are nothing but busy on the boating side. Our various summer series started off in June with the generally fortnightly racing. The dinghy series began on 2 June, and since then we have had 10 dinghies revelling in good conditions in outer Repulse Bay and in Deepwater Bay on Sundays. Many of the sailors included members who had been brushing up techniques in our supervised sailing sessions.

ABC also runs a J/80 Summer Series of races on Saturdays, held at the south

of the island, and the cruiser series (aka the Restaurant Series) on Sundays. Our first course this summer ended at Po Toi Island with a good turnout of 17 cruisers.

Other boating events included the ABC vs Mandarins game fishing tournament and HKSF's Bank of China 56th Festival of Sport Open Dinghy Regatta held off Little Palm Beach, Sai Kung, and the two-day Macau International Sailing Regatta at Hac Sa Beach, Coloane, both of which our dinghy teams joined.

Together with other clubs, the ABC was invited to a briefing by the Home Affairs Bureau on 5 June over the issue of renewal of club leases. The HAB reassured clubs that it intends that it will renew leases with certain minimum requirements for public access. It appears that the non-member access that ABC provides, through our courses and other events that include schools, will more

than satisfy these requirements.

ABC is pleased to extend its hearty congratulations to Hebe Haven Yacht Club on reaching its 50th anniversary in June.

Happy summer and safe sailing.

## Flag Officer's Report

Development plans for Middle Island have continued through spring and early summer with the committee further scrutinizing plans. I am pleased to report that this has culminated in the appointment of the architects, MAP Architecture & Planning Limited, with Mr Edward Bilson being the director-in-charge.

The architects will act as the principal contractors with sub-contracted organisations involved with the on-going development phases, including civil and structural engineers, mechanical and electrical engineers, quantity surveyors and landscape consultants, signage consultants, soil engineers, land surveyors, accredited checkers and registered inspectors. They are:

**Architect:**

MAP Architecture & Planning Limited

**Quantity Surveyor:**

HA Brechin

**Landscape Architects:**

Hyder Consulting Limited

**Land Consultant:** Knight Frank

The Club is delighted to have as partners MAP and its team who bring a wealth of experience to this exciting project. As development progresses MAP will submit our plans to the Home Affairs Bureau and then to the Lands Department and Marine Department. They are confident that we will obtain the support and permissions required.

Financial planning for Middle Island development and the steady stewardship of Honorary Treasurer Matthew Johnson mean we are now well within budget for this phase of the project.

I updated *Horizons* in February on Middle Island, stating then that there has been ongoing dialogue with the senior levels of the Hong Kong Electric Company. This is still ongoing – due to delay in final agreement of the substation positioning on RHKYC's site – but is unlikely to have any impact on the overall timing of the development plan. If this changes I will let you know.

The Development Committee intend

to hold a further town hall meeting in late September to discuss progress. Please await confirmation of a date.

As ever, should you like to drop your thoughts/suggestions in writing at any time to Dev Com, please feel free to do so to my attention, David Tait, care of Philippe de Manny to the General Manager's office.

## General Manager's Letter

This issue of Horizons covers July and August as every summer we give a break to our editor from correcting spelling mistakes and translating French into English. While on the subject, I am pleased to announce that PPP Company Ltd. has been awarded one more year of publishing our monthly magazine. After ABC tendered the project to six companies in Hong Kong, PPP came back with the most comprehensive and affordable solution. We shall keep doing this market research yearly to ensure that we get the best deal possible.

**New menus:** You all should have had a chance now to try the new menus for which costing has been very thoroughly done and selections deeply influenced by my repeated queries to members about their menu preferences. If your favourite dish has gone, do not despair; on 1 August another menu will arrive, with a fresh menu on 1 October. You will have plenty of time to let us know your wish.

You may have noticed that now we do not serve chips automatically after seeing far too many of them end in the bin. With this change, we hope to save on costs, of course, offer healthier options and reduce our food wastage.

Lastly, I must inform you that as of 1 July your beer will cost you a little bit more as a result of a recent price hike from suppliers. The price increase is about \$2 for nearly all bottles and cans of beer as well as for the draught Carlsberg, while Stella and other draught beers will jump up by \$5.

**St Baldrick's Day:** For the fifth consecutive year, on 20 April the ABC hosted a St Baldrick's Day fundraiser. We raised over \$170,000 to benefit the Children's Cancer Foundation. Thanks to all staff and members who donated both locks and money. We hope our fundraiser next year will be a record to help us reach our goal of \$1 million in five years.

Lee Yick Sang, better known as Ah Sang, rejoined the Club last month. I am

sure you are all pleased to see him back together with other old faces returned from the wider world. Chef Ong, our pastry chef who suffered a stroke at the end of March, is slowly recovering and should be back with us soon.

**Maritime Museum talks:** Did you know that every Saturday afternoon the Hong Kong Maritime Museum hosts a speaker's session about Hong Kong's colourful maritime history? Talks start at 2:30 pm and cost HK\$50. If you want to know all about the South China Sea, I can only encourage you to go visit.

**Carpark finished:** After all the trouble we put you through, I am glad to tell you we have finished the carpark repair and we have no more restrictions on spaces. A few small areas continue with treatment but after the five-month period of heavy drilling and concreting the structure, the carpark is now safe and sound.

The playground is fully back in action and we have added a few more games in it. One is a roundabout that actually does not really turn. It sounds and is indeed absurd. I have contacted the company involved and its reply is all about danger of injury to children. Sad to say, we will remove it and replace it with another game; I cannot have a roundabout that does not turn.

You also may have noticed the small trampoline in the playground. Please be reminded that *parental* supervision is generally required in the Club; especially for this plaything for which regulations are posted at the entrance.

**Sailing:** There are many activities over summer on the dinghy and cruiser sides with more information in this issue. If you wish to discover cruiser sailing why not come on Sunday 7 or 21 July for an early breakfast at the Club to see if any of the friendly sailors participating in our Summer Series lack crew? You might have the experience of your life and become a sailor yourself. You don't need to have much experience, just a desire to feel the breeze, use a bit of muscle and have a good laugh and a beer after the effort.

**Tai Chi at the club:** We are looking at starting a Tai Chi course as soon as possible. These classes will be led in English, Cantonese and Mandarin, and will last an hour. The full course will include various forms of Tai Chi: square, round, sword work, push hand, hand-to-hand combat and chi kung. We plan to run these classes in the squash court.

The fees will range from \$600 to \$1,200 for four lessons, depending on whether taken as a group or individually. Our teacher, Barry Chan, can teach at the Club either Monday to Friday 7:30 pm-10 pm or Saturdays 3:30 pm-10 pm or Sundays and public holidays 10 am-10 pm. Before we commit to Mr Chan, we need to know Members' preferences for days and times. Please contact Matthew at Club Reception at [it@abclubhk.com](mailto:it@abclubhk.com). We will contact you once days and times are set.

**Fitness and friends:** Still on activities, we also have a very informal and extremely social invitation for an hour or two of fitness, swimming and a coffee, sent by a member who would welcome company in the morning. So if you want to be fitter and make new friends come any Tuesday and Thursday morning to meet Maryann for a workout and perhaps some sweat and sweets before work.

Have a great summer break.

## ABC Second Annual Fiesta Day

Sunday, 20 October 2013

Welcome to all ABC boat owners! The Club is planning our second annual ABC Fiesta Day when all boat-owning members (together with their family and friends) join up for a day out on the water. We hope to see cruisers, dinghies, motor boats, RIBs, windsurfers, rafts – anything that floats and can be propelled in the general direction of the rest of the fleet – to come along for a fun family day.

Details will be announced in the next issue of *Horizons* magazine, but in the meantime, please put the date in your diary and make sure you are ship-shape and ready to go!

## Ladies' Exercise Group

### Meet at the ABC gym and pool, Tuesday and Thursday mornings

Would you like to be fitter? Would you like to make more friends?

Come and join me and other ABC members on Tuesday and Thursday mornings for some exercise and/or a swim followed by a chat over a cup of coffee!

I am not an instructor – just keen for more company! Exercise to a video or your iPod/iPad in the gym to your own level, maybe follow this with a gentle or more vigorous swim, and then gather for a chat and a coffee in the Galley coffee shop around 10:30 am! That is when most calories will be used up!

I look forward to meeting anyone who is interested in joining me!

This is an informal group so please simply show up with exercise gear any Tuesday or Thursday morning.

<b>Lupé-Cholet, Burgundy, Macon-Villages AOC 2010</b> A clear, straw colour with a brassy hue. Fresh apples in the aroma, and good, crisp white fruit in the mouth, with aromas of juicy apples and pears. Medium body, braced by a good, flinty acidity that provides structure and balance. Textbook Macon Chardonnay, simple but well-built, letting the pure fruit shine through.	\$145		
<b>Arnaldo Caprai, Anima Umbra 2011, Umbria Grechetto IGT</b> Delightfully fresh, with only 12.5% alcohol. A nose and palate of fresh white peaches, with a little citrus and white flowers. The palate also has a delightfully herbal/medicinal end to it and as with a good many Italian whites, a reminder of almonds.	\$135		
<b>Red Wines</b>			
<b>Château Maison Noble 2008, Bordeaux AOC</b> <i>Awards: Paris – Bronze Medal 2009</i> Intense and shiny purple colour. On the nose, a spicy and toasted nose with fruity and gamy aromas. On the palate, a rich and supple bouquet. Good volume with silky tannins. Medium body wine. Long and lingering finish.	\$175		
<b>Arnaldo Caprai, Anima Umbra 2011, Umbria Rosso IGT</b> <i>Awards: Wine Enthusiast 88/100</i> A blend of Sangiovese and Canaiolo, this is a richly concentrated red that would pair with pork, lamb or hearty lasagna with beef sauce. An easy dinner wine to share with friends, and redolent of blackberry, spice and cured meat.	\$135		
<b>Umani Ronchi, Jorio 2010, Montepulciano d’Abruzzo DOC</b> <i>Awards: Robert Parker’s Wine Advocate : 88/100</i> Dark cherries, flowers, rosemary, smoke and tar are some of the notes that emerge from the 2010 Montepulciano d’Abruzzo Jorio. This decidedly rustic, juicy Montepulciano has plenty of character, but is best appreciated at the dinner table with similarly hearty fare.	\$145		
<b>Mas Amiel, Notre Terre 2007, Cotes du Roussillon Villages AOC</b> <i>Awards: Robert Parker’s Wine Advocate : 88/100</i> Mingles black raspberry and strawberry with hints of caramel, roasted meat and wet stone. Especially soothing in texture and pure in fruit. It finishes with delightfully juicy persistence.	\$275

# J/80 Class Association Summer Series 1

Words and photos by Philippe de Manny

**T**his year, the ABC is hosting this year the J/80 Class Association summer series. The six days of racing have been scheduled to take place on the following dates over the summer of 2013:

Saturday, 8 June: 5 Windward/Leeward - Drag Racing  
Saturday, 22 June: 3 Windward/Leeward - Standard Racing  
Sunday, 7 July: Islands Race Standard  
Saturday, 13 July: 3 Windward/Leeward - Standard Racing  
Saturday, 20 July: 5 Windward/Leeward - Drag Racing  
Saturday, 3 August: 3 Windward/Leeward - Standard Racing

On 8 June, the five windward/leeward drag races were held under light winds and with a strong tide current. In fact only four races could be completed.

Before getting into details of the races, here is a bit of information for all neophytes to drag races held at sea, most definitely not on land.

The first time I heard about them, I thought it was either sailing while dragging the anchor or some sort of device, or perhaps having two boats on the starting block for a 300-metre crazy acceleration, or sailing with "Drag Queen" attire.

Tigrina tussling with Javelin

Well, this is something totally different. Drag racing is an exciting succession of multiple starts and short races within 30-minute laps. This ends up providing maximum opportunity to test your skills, correct any mistakes and maximise your speed with the best possible sail-tuning. From the perspective of a Race Officer, it may offer the most interesting work to do as it keeps you busy at all times, changing the length of the course, modifying angles according to wind shifts, launching the races and calculating results live.

Now that we know a little more, let us get into the 8 June windward/leeward J/80 drag races. Race 1 had five yachts at the start, *Javelin* (our proud and lonely ABC boat), surrounded by four aggressive RHKYC J/80s: *Hakawati*, *Tigrina*, *J Chi* and *Jasmine*. *Javelin* might have been alone, but skippered by the Kimman family and friends, she won the start line and kept the lead until the end, winning the first race.

In Race 2, the legs were shortened a little bit, as the wind again got lighter. Two more J/80s joined the fun, *Mozzie* and *May 13*. This time *Javelin* was less fortunate as *J Chi*, after an aggressive start, seemed to have gained, finishing first in the second race.

J Chi en route to victory

The course for Race 3 was shortened and tuned to keep the fleet moving within the 30-minute laps. It had a very scary start when *J Chi* pushed two other boats to take advantage at the start, forcing *Javelin* on the starboard side to tack just in front of the committee boat to avoid a collision. Due to the extreme current *Javelin* unfortunately got her rudder caught in the committee boat's anchor chain, and banged into the committee

Hakawati

boat, breaking some stanchions and scraping the gel coat. After this, she had to leave the races and return to base for a proper assessment. No real foul play; just extreme racing under pressure and strong current at play.

*J Chi* won Race 3. Race 4 went by with no issues and saw *Jasmine* claim victory.

Race 5 was about to be started when after consulting the fleet, the fleet captain decided to call it a day with “AP over A,” which in sailing vernacular means time for a drink. The whole fleet retired to Middle Island for the prize-giving, which was sponsored by Laithwaites Wine. H

# Summer Series 2013: Race 1

By Philippe de Manny,

Winner Chasse Spleen (by Philippe de Manny)

Crew young and old tuck in at Po Toi  
(by Philippe de Manny)

**O**n 9 June, the first race of the ABC summer series, also known as the Booze Cruise, comprising six island races, took place on a very hot and hostile morning.

Seventeen cruisers enrolled for the day with 16 taking the start, including three J/80s (*FG3*, *Jailbreaker* and *May 13*), and some old friends such as *Zephyr*, *Xiphias*, *The Farr Side*, *Kei Lun*, *Boadicea*, *Wicked*, *Hayoka*, *HanaFe*, *Calamansi*, *Chasse Spleen*, *White Crane* and newcomers *Tipsy Easy* and *Wonderwall*.

The committee boat was in position at 9:15 am, over an hour before the start, searching for wind all over Deep Water Bay. Unfortunately the very light south-to-southwest wind indicated on all websites was nowhere to be found. The search for wind ended on the south of Round Island with vain hopes that Ehecatl, the Aztec god of the south wind, and Notus, his Greek counterpart, would have mercy on our poor sailors who,

on top of sailing under a scorching sun, were battling against a strong two-metre ebbing tide.

The course chosen for the day was an island race from Deep Water Bay (more or less) taking Chesterman buoy by starboard, passing Beaufort Island port, and rounding Fury Rocks by starboard for a finish in front of Po Toi Tin Hau temple.

At 10:30 am the wind was “gusting” at 4 knots and averaging a raging 3.5 knots but the RO, eager to get on with it, proceeded with the start taken by *Wicked* with skipper Tristan Stewart, who kept the lead until the end.

### Excited young sailors

It is worth noting that Tristan was assisted on this invitational cruiser race for young sailors by the two youngest sailors of the day, Carter and Charlie Stewart, and that *Hayoka* had the largest number of young sailors on board – at least six very excited children could be seen. Nice to see that at least two boats managed to get on board some “young guns” and that one of them actually led the race all way through ... maybe some food for thought here?

The rest of the start was as usual, reaching start under a light wind, which was a bit confusing as one OCS was recalled but some lucky ones who could not be confirmed as OCS got away without a penalty. *Hayoka* and *Jailbreaker* got quite intimate right at the committee boat bow, but after a bit of touching and

Wonderwall and Jailbreaker (L) (by Eileen Sze)

some friendly words, they managed to sail away towards the first mark. *Taka Rita* was seen after half an hour returning to base probably having too tough a time fighting the tide.

One hour into the race and *Wicked* rounded Fury Rocks with a 10-minute lead, followed by *Xiphias* and the rest of the fleet. The chase boat, ABC 14, was positioned there for a potential shortening, but the RO let the race carry on to south Po Toi. There he decided to shorten the race to avoid having the fleet packing up together trying to get through the finish line against the very strong tide current. Also to be noted, this youth invitational race had an apprentice RO, Philippe de Manny junior, who was assisting Sai Fuk and Eileen Sze on the chase boat.

After the race, the whole fleet went to the usual Po Toi seafood eatery, which as we all know should get a Michelin star for its deep-fried squid, garlic and rice noodles, scallops, black bean razor clams and yeung chow fried rice.

On the results side, *Chasse Spleen*, the little Archambault Surprise skippered by Philippe Delorme and his French crew, won the race followed by *White Crane* (also with a French crew with one Belgian). In third place and as the first J/80 was *FG3*.

*Wicked* took line honours and should be awarded a special prize for the youngest crew for the day.

Let us hope for more wind and weaker tides to enjoy one of the new courses put together by Elaine Morgan to give the summer series new destinations and more challenges. H

# Dinghy Sailing in Summer Series 2

Words and photos by Eileen Sze

*Matt Battani and Martin Harris handling the Gennaker halyard*

**M**ore and more sailors are joining the ABC's regular dinghy races. On 16 June, the second race day of the Summer Series, we had a good number of Lasers and Laser 2000s racing in winds ranging from 7 to 10 knots.

In the day's first race, many boats took the postponement signal as the warning signal, and then started prematurely at the preparatory signal! Near the end of the second race, a heavy rain shower changed the direction of the wind 90 degrees, but luckily, most sailors had finished the race already.

Come and join us in the coming 2013 Summer Series races:

Sunday 14 July	Summer 7 & 8
Sunday 28 July	Summer 9 & 10
Sunday 11 August	Summer 11 & 12

For booking of dinghies on race days, contact [sailingsecretary@abclubhk.com](mailto:sailingsecretary@abclubhk.com)

You can plan for future racing by checking scheduled races in the ABC's Dinghy and Cruiser Sailing calendar, included in this issue of *Horizons*.

**A** BC sailors and guests joined together at the Club on 25 May to celebrate the 2012-2013 sailing season and toast prize-winners amongst a sea of glittering trophies. Celebrants met at the Patio and enjoyed drinks and a set dinner before toasting the crews and individual winners of overall race series and individual races. Vice Commodore David Tait welcomed all and introduced Sailing Committee Chairman Bruce Perkins and Sailing Committee member Diana Bruce, who presented dinghy prizes. Josephine Lam, wife of Honorary Treasurer Matthew Johnson, presented cruiser prizes to the winners. A full list of trophies, races, skippers, boats, and sailors follows. *H*

# A Treasury of Shipwrights: Classic Yachts Built in Hong Kong

### A talk by Dr. Stephen Davies, CSSC Maritime Heritage Research Fellow

Hong Kong Maritime Museum

Saturday, 27 July 2: 30 – 4 pm.

Tickets \$50, \$30 concessions. No need to book.

By the early years of the 20th century, Hong Kong shipyards had found a clientele they were to satisfy for the next 80 years. Both in Hong Kong and from all over the world, members of the relatively new world of recreational yachtsmen commissioned Hong Kong's skilled shipwrights to build their vessels. Working to the designs of some of the world's most famous naval architects of recreational craft – the list is a roll call of the greats of the last 80 years – local yards built yachts that stand high in the annals of modern yachting. In this talk, drawing on the Hong Kong Maritime Museum database he began five years ago, Dr. Stephen Davies will describe the yards, the designs and designers and some famous Hong Kong built yachts.

A Hong Kong-built yacht being loaded aboard the Canadian Pacific liner Empress of India at the Hongkong & Whampoa Dock Co. Ltd., late 19<sup>th</sup>/early 20<sup>th</sup> century.

11, 12, 13 November

Time: 7 pm to 10:15 pm

Syllabus: Engine general construction, diesel and petrol fuel, fuel systems, electrical systems, ignition systems, lubrication, cooling and pumps, transmission systems, operation and maintenance, fire and gas precautions.

Cost: \$1,500 for ABC member/person/course.

\$1,800 for non-member/person/course.

## Notes:

1. Students who attend these two courses will be required to sit their examinations at the Hong Kong Marine Department after completion of the course. Successful candidates will be entitled to operate a vessel up to 15 metres in length with engines of any power in Hong Kong waters.
2. Courses are entirely theoretical for the relative exam. Practical boating is not required for the examination.
3. Examinations are normally held on selected Thursdays. See the Marine Department address below to register your exam and to arrange your eyesight exam. The examination fee is HK\$1,255. The candidate must take both Part A (master) and Part B (engineer) exams together in the first attempt. At registration the candidate must provide one photo, one copy of his/her ID card and a copy of a medical certification that he or she has met the required eyesight standards.
4. There will be a minimum of five students and a maximum of 20 students per course. If there is insufficient support for a course, it will be cancelled and those already enrolled will be informed accordingly. Members who responded to the initial inquiry and whose names are held on file will be given priority.
5. Course Instructor: Alan Chau.
6. Please forward the completed application form(s) to Ms Cobo Liu by fax on 2873 2945 or by post or hand in at the Club administrative office.

## Saturday Morning Supervised Sailing: Junior Optimist Sailors age 8 - 12

ABC is relaunching our Saturday morning sessions, designed for younger Optimist sailors. To be eligible, applicants need to have passed the ABC Optimist Stage 3 course.

Applications for Saturday mornings are made on a monthly basis. The Saturday morning sessions end at 12:30 pm.

The sessions are an ideal step for those interested in joining our Club Optimist Race Team. Further details are available on our website or from Kevin Lewis at [DinghySailing@abclubhk.com](mailto:DinghySailing@abclubhk.com)

## Saturday Afternoons: Adults and teenagers

Open to both youth and adults, supervised sailing sessions continue most Saturday afternoons. To be eligible to attend, adults and teenagers need to have passed an HKSF Level 2 course or equivalent, or have similar experience. Numbers for each session are limited. Advance booking is essential.

Please book by the Thursday before a session through Angela Ho at [SailingSecretary@abclubhk.com](mailto:SailingSecretary@abclubhk.com). Full details also are available at [www.abclubhk.com](http://www.abclubhk.com) (under the "courses" section). H

## Tournament report

Koos Smit, Willy Mercado, Todd Barr, Kim Stuart and Peter West (L-R) on Liquid Asset

# Game Fishing with the ABC and Mandarin Sport Fishing Clubs

by Kim Stuart, photo by Piet Ventner

The ABC and the Mandarin Sport Fishing Club held an offshore fishing tournament on 8 June, rescheduled from an earlier date in May.

While five boats were expected to take part, unfortunately one had to withdraw at the last minute. So 30 anglers took part on four boats: *Liquid Asset* (the ABC anglers' boat), *Thai Lady* (Mandarin Sport Fishing Club), *Reel Asset* and *Riviera*. The anglers primarily used trolling lure or artificial bait.

Reports of blue water being far offshore led the ABC team to leave early in order to get lines into the water at the tournament's 8:30 am start. Given the amount of rain that had fallen over the Pearl River catchment area in the preceding weeks, it was no surprise that we had to go so far out – indeed we cleared the very green water some 52 nautical miles out. Once into bluer water, the lines were set, and all eyes were looking for fish.

### Whale blowing

There were a number of large splashes heard without us seeing the causes. However, *Liquid Asset* Captain Todd Barr did see a blow from a whale, not uncommon in the South China Sea.

By now we were within good sight of an oil rig and while moving in that direction we crossed a well-defined tideline. Along this tideline we had our first strike of mahi mahi (also known as dorado). Along the line were a number of schools of fish. While most of these fish were not large, the anglers were kept busy, and put points on the board.

In total, we managed to catch 17 fish, of which four were kept. Turning north to move towards home, a pole was spotted and although we had no takers on the first pass, on the next we

had a hook-up that was finally boated as the biggest catch of the day.

Shortly after 3 pm, we had to reel in the lines and turn for the ABC's Middle Island Clubhouse for the weigh-in and barbecue. Traveling back at high speed we had two further strikes but not hook-ups.

Being somewhat further out than the other boats, we were the last in and were met by the other four teams. After a number of beers were sunk, the barbecue was made ready and the largest mahi mahi was filleted and added to the steaks and burgers.

The results for the tournament were:

Champion Team: Aberdeen Boat Club

Champion Boat: *Liquid Asset*

Champion Angler: Peter West

Runner-up: *Reel Asset*

In view of the handling skills of Piet Venter, an extra prize was awarded: rubber gloves.

Thanks go to the ABC for making the Middle Island barbecue area available and also to all those who were able to participate, as well as to the boat owners for making their boats available, those who joined us for the barbecue, and to Whitewater for sponsoring. Finally, thanks go to the Mandarins for the wine!

If you were not able to fish on 8 June, aim for our re-match in August. Dates and times will be advised, so get your names in to John Berry or me (kstuart@netvigator.com) as soon as possible. H
