## Commodore's Letter

This Easter the Club again was represented – informally – at the Puerto Galera Yacht Club Regatta by the writer and several other Committee members; this year for the first time with two competing yachts, albeit in different divisions. The locally based *Sandoway* is a Sydney 36 familiar to us from earlier charters. A fine yacht, though mature, with the added burden of a heavy handicap, meaning a start time over an hour after the first few boats in the pursuit series!

Present for the first time after its China Sea crossing was *Samara*, a Lagoon 50 catamaran owned by Steve Perret and his brother. This attracted a lot of attention, not least as the “mothership” for the après race discussions on which crew members lost how many seconds and when and how! *Samara* remains there for some cruising.

One very entertaining race that we may seek to emulate here is Around Verde Island, with its tactical fun of each boat's choice of the rounding option,

the routes being equidistant. Wind and currents of course vary, giving rise to a lot of fun. And the outcome of the regatta? Not an unqualified ABC success, but both crews made the podium. Crew enjoyment in champagne sailing conditions was the big winner.

ABC summer racing gets under way as this issue circulates; the ever-popular Classic Yacht Rally over the weekend of 13-14 May, and then the first of the seven Summer Series races starts on 7 May.

Alex Johnston's fascinating talk on his voyage to Antarctica on the 6 May Sailors' Cocktails evening, ought to, if nothing else, highlight the converse pleasures of the warm weather racing to come.

Each of these events will be run under the ABC's 50th anniversary banner, with much planned to follow. We will soon confirm an inter-Club yacht and cruiser rally. Dates for a snooker championship to be held at the Hong Kong Club and a golf tournament at Shek O are 22 May and 23 June respectively.

Early commitments please, is the appeal, as much planning has to be done to ensure these and other 50th events truly reflect the Club's remarkable development since the Nissen hut days. Similarly, the book preparation team remains open to contributions, anecdotal or photographic, from any longstanding or new ABC Members.

The Middle Island menu has been freshened up with some new dishes and changes designed to reduce waiting times during the busy weekends to come. I hope to see many of you there in the coming weeks.

## Flag Officer's Report

I am writing this en route to Subic Bay on the yacht *Samara*, a magnificent Lagoon 500 catamaran owned by Club member Stephen Perret. Our departure was delayed by two days whilst we waited for the strong northeast monsoon

to abate. We still encountered seas of around three metres and winds gusting to force seven, but this has made for an interesting fast passage.

We have completed another successful Waglan series with a very lively prize-giving at Middle Island. The many prizes are testament to the high level of participation in this, one of the most popular sailing series in Hong Kong. We are always looking for ways to enhance our racing series and will be testing some of these in the ABC summer series that starts on 7 May.

Our new standard sailing instructions are online now at the ABC website, and the hard copy shortly will be available. To encourage participation from an even wider range of boats we have made provision for a division C with courses suitable for smaller yachts. We hope

*Samara, at the Subic Yacht Club marina*

to see more of our members enjoying the summer sailing series, or restaurant series, as it is popularly known.

I wish you all fair winds and a happy summer on the water.

**Alan Child**  
Rear Commodore – Sailing

## General Manager's Letter

**Takeaway orders:** The Club's busy season has begun. We kindly ask members who wish to take away meals during weekends and public holidays to place their order well in advance to ensure timely delivery and to avoid disturbing members dining in. When our restaurants are busy, we will not treat any last-minute takeaway order as a priority, and emphasis will be given to dining orders in-house. A takeaway order could take an hour or more to prepare. Our busy periods are:

- Saturday lunch: 12 noon until 2 pm
- Sunday and public holidays lunch: 12 noon until 2 pm
- Sunday and public holidays dinner: 5:30 pm until 8 pm

**Weekday debenture project:** With the business environment in our area changing very quickly, and companies moving into newly renovated or rebuilt buildings in nearby Wong Chuk Hang, it was felt that there is a new opportunity to create a different type of company membership. The ABC has developed a weekday debenture membership category for four nominees, following similar principles as the actual debenture, and adding a weekday usage restriction. If approved at the next General Committee meeting and then during an EGM, this should be available very soon. Should you know of companies moving nearby, or if you yourself are part of such a company, do contact us now so that we may perhaps improve our proposed new membership to match your needs.

**Water on MI progress:** Since my March report I believe we have made some progress. Indeed after having dismissed two consultants over the years and forcing the third one to make a submission for a new connection, whatever the outcome, I managed to connect with the proper person at WSD. We had taken the correct steps to obtain what we needed, but somehow something very simple (our name on a WSD invoice) was made complicated with red tape stains all over it. At any

rate, after two months we have managed to review and update the longstanding MOU with RHKYC to one that stipulates and emphasises that RHKYC are still willing to have the ABC meter on their premises. This required convincing them on our behalf to make an application to WSD (which we shall prepare) in order to have our address added to the WSD invoice they now receive for both clubs. The next step for me is to ask the Lands Department to give us a new lease to lay a new WSD-recognised pipeline from the end of the RHKYC hardstand to the ABC hardstand. Knight Frank has already been contacted to assist us on this part as they already deal with Lands on our behalf for the large MI development. Once all that paperwork is completed and the upgraded piping for our water system is laid, we will finally become a WSD customer and will appear on their invoice. Sadly, as the timing is within nine months from the Lands application, this may be done only by December.

**Progress of electricity on MI:** We will finally start building the transformer foundation this month. Probably by September we shall finally have our extra power. After having to deal with extra Building Department (BD) requirements and ground investigations last year, the RHKYC team put in a great effort to get things moving. After three months, underground investigations were made, reports from the expert were sent to BD, previous drawings were modified and assessed costs were revised. So bear with us a little longer to see the evening lights on Middle Island compete with the Jumbo's.

**Rules, regulations and practices:** Unfamiliarity with or breaches of ABC rules happen too often, creating a lot of embarrassing situations that easily could be avoided. Please help us maintain the ABC's peaceful environment by complying with the rules that, during your Membership interview, you pledged to accept and observe. Should you have any issues, please direct your comments, suggestions and complaints

to the Membership and/or Disciplinary Committee at [info@abclubhk.com](mailto:info@abclubhk.com). Committee members will be more than happy to receive them and/or explain the implication of breaching Club rules.

**Car park labels:** In January, Cobo sent every Member an ABC 2017 car park label. This and every year we allow a certain grace period, usually to the end of March, for the exchange of the new label for the old. Sadly in April we saw many members not displaying the correct label or any label at all. We remind you that as of now we will be very strict, and cars without current-year labels will not be allowed access to the ABC carpark. This enforcement of the Club rule is effective immediately.

**Guest rules:** We again remind you that a maximum of four guests are allowed at the Main Clubhouse. A member may bring up to six guests to Middle Island. Members must sign in their guests at Reception. *Guests will be informed of ABC rules banning ringing of mobile phones as well as private and personal staff.*

**Private personnel rule:** We remind you that no private or personal staff may enter any venue of the Club or its premises at any time without the consent of the General Committee, which may delegate the granting of such consent to the General Manager. Only carers for disabled members or their children and guests may be permitted by the General Manager to enter the Club to care for such persons.

Members who are parents are responsible for their children at all times within the Club premises, with the watching over and looking after them that parenting implies. Under no circumstances may private or personal staff attend children whilst parents enjoy a drink or a meal in another area of the Club. Should your personal staff member be your guest, as I am often told, you must sign him or her in as a guest at Reception, and he or she must be seen enjoying the Club not as a worker but as a guest, having a meal or a drink. I cannot remember ever asking my guests to take care of my children.

#### Members' children over age 21:

We remind you that children over age 21 cannot sign on their parents' ABC account, and may enter the Club only as a guest or alternatively join on their own right. I am pleased to inform you about our Legacy Program for Children of Associate or Ordinary Members. It

allows Members' offspring age 21 to join the Club in their own right as Associate Members (subject to the usual balloting procedure) and subject to their parent having been an Associate or Ordinary Member of the Club for more than 10 years without interruption. The joining fee is \$15,000. You may download the application form from:

[www.abclubhk.com/upload/Membership/2017/Legacy-Mem-Form.pdf](http://www.abclubhk.com/upload/Membership/2017/Legacy-Mem-Form.pdf)

#### Membership cards and smart access

**cards:** Members must be prepared to present their membership card if required and their smart card to access any facilities and outlets. Present your Membership card when placing orders for food, beverage and equipment to speed up charging and avoid mistakes. Membership cards are not transferable. Third-party presentation of membership or smart access cards is not allowed and will subject the member to disciplinary action by the General Committee.

Saturday  
The Bridge Room

7 pm

Adults \$50, including one complimentary sailor's cocktail

ABC Marine Services Manager Alex Johnston will share his story of sailing the Southern Ocean on a voyage to Antarctica and South Georgia. Alex will tell the tale of how his team's yacht, the *2041*, set sail from Cape Town, South Africa, through ferocious seas to South America and then on to Antarctica. The mission was to support Robert Swan's Mission Antarctica Programme, whose aim was to clean up 1,000 tonnes of waste on the Bellingshausen Russian Antarctic base on King George Island.

Alex and the crew sailed over 13,000 miles in eight months, visiting Tristan da Cunha, the Falkland Islands, Cape Horn, Ushuaia and the South Shetland Islands. They then sailed to Antarctica and South Georgia on the leg back to South Africa. With a crew of just four, Alex was the first mate, diver and climber for the expedition. Alex will also tell of the extreme sailing the voyage involved, including what the crew endured both on and off the water in one of the most remote and hostile places on the planet.

# *A Look Back:* Easter 2017 at the Aberdeen Boat Club

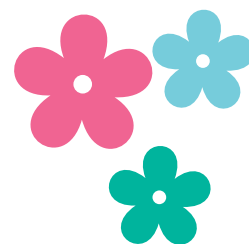

On Sunday 16 April, the ABC saw a full turnout for its many and varied Easter 2017 events at the Main Clubhouse and at Middle Island.

Easter at the ABC opened with an Early Bird breakfast buffet on The Patio. At 11 am, in the main Clubhouse's playground, the Easter Bunny paid a visit, when ABC staff staged their legendary egg hunt for nearly 30 children.

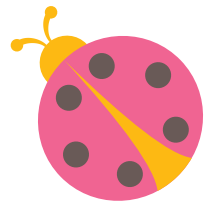

Shortly thereafter, some 160 guests joined us for the ABC's famous Easter brunch, a buffet whose delights were complimented by the fine and sunny weather.

In the middle of the afternoon, on Middle Island, about 40 Members and their children took part in the Easter egg and spoon race for families.

Enjoy the memories we present in this photomontage of Easter Sunday 2017 at the ABC.

## Champagne Barons de Rothschild Dinner Friday 2 June

### 7 pm, the Four Peaks Restaurant

**The Champagne dinner will be accompanied by carefully selected fine French dishes interpreted in modern ways.**

The exclusive range of Champagne Barons de Rothschild, produced from the finest terroirs of France's Champagne region, has never failed to surprise the sophisticated Champagne-loving crowd.

Famous for over 160 years in the world of fine wines, the Rothschild family has always combined an appreciation of excellence with a passion for breaking new ground and a reputation for the highest expertise.

Following in the house's footsteps, Champagne Barons de Rothschild is now recognised as one of the most rigorously demanding producers of fine Champagne. The Champagne Barons de Rothschild blanc de blanc (the highlight of our evening) is a rich, complex and ethereal wine, made only with Chardonnay from the Champagne region's best terroirs. This unique landscape gives the wine its fine bubbles, its pale golden colour and its subtle aromas of white fruit. The Champagne Barons de Rothschild blanc de blanc has a low dosage.

# *Snooker:* A Friendly Match with the Hong Kong Club

Words and photo by Nicholas Bodnar-Horvath

On 23 March, the Aberdeen Boat Club played the Hong Kong Club in a friendly match in the Hong Kong Club's Billiards Room. It was intended that we would play six singles and three doubles, however, one of the Hong Kong Club players had to withdraw at the last minute, which then required one of the Hong Kong Club players to play two singles and cancel one of the doubles.

The first five singles played were very close games, all of which were surprisingly won by the ABC. It gave ABC a rather flattering lead at 5-0, which effectively won the evening for ABC. The sixth single was again a very close affair, but lost on the black ball.

After the singles matches, we retired to the Bowling Alley Bar where the sumptuous dinner and fine claret took its toll, causing marginal losses in both doubles matches. Of the eight frames played, three frames were decided on the black ball and three on the pink. A tight match indeed!

In the final count, the Aberdeen Boat Club were the worthy winners by five matches to three. It was an extraordinary evening that will remain in the memory of ABC players for some time to come. The team of heroes comprised David Hilling (captain), Peter Hilling, Barry Hill, Tong Yuen Fat, Wayne Robinson and Nick Bodnar-Horvath.
