ABC Commodore's: Welcome Message

September, as all Mariners know, is the Autumn Monsoonal Transit month, although this changeover can drift into October. Hence the recent shift to a later start from the original first week which often left sailors frustratingly awaiting a breeze.

The first Opening Regatta took place in 1977, although not named as such until 1979 when it became the official start to Hong Kong's racing season. By the mid-1980's the regatta was attracting over 100 entries which at that time included dinghies. Then, as now, the regatta is an Open one, that is to say open to all keel-boat yachts holding a recognized handicap [and insurance of course!]. Barry Hill Vice-commodore ---later Commodore-- --was very active in the organisation in the early years as was John Berry as a regular Race officer.

Thus is a great pleasure to give a warm welcome all competing entrants---long-standing or new--- to this year's 47th event heralding the start of the NE Monsoon racing season. Hong Kong is blessed to have such favourable conditions for yacht racing. As usual the Races are governed by the NOR and ABC's Standard Sailing Instructions, the contents of which entrants are urged to hoist aboard. Not least for safety concerns. The established format is unchanged, but details vary annually hence the need for skippers to digest and follow the instructions.

Having done that the stage will be set for a weekend of what ABC hopes will prove to be a fun-filled and exciting weekend for all aided by the Divisional Splits which aim to provide an equal opportunity for all similarly-rated yachts. And then comes the party!

This year we are honoured to enjoy the support of a new Sponsor, Zurich Watch together with our regular and loyal supporters Sky International, Hepworth Craft Beer and Fuegy Fuels. Sponsored support is invaluable for such events and is greatly appreciated. We very much hope our sponsors will find the weekend's event as rewarding as it will be for the sailors.

As ever, Race Management is a critical factor governing the Regatta which could not be staged without the support of ABC's dedicated and cheerful Marine & Sailing Team and their range of equipment. They enjoy their role and as sailors we are grateful beneficiaries. Participants owe a big vote of thanks to them all.

Finally, it is my pleasure to welcome all participants, on boats large or small, fast or sedate, long-term regulars and especially new boats and crews to make the most of the enjoyment to be had on the splendid waters around the islands to the South of HK.

I wish you all competitive, fun and a SAFE weekend's sailing and, with luck, favourable winds.
